Gentlemen:-

Please be kind enough to let me know at your very earliest convenience what is the lowest price at which you can furnish me with a set of U.S. Proof Half Dollars from 1864 to 1894. Or, if you will send me a list of these various dates and the prices at which you can furnish each respective date I would prefer it.

Your early reply will oblige,

Yours truly,

E. A. Krenz.
